^^Estimated savings or best plan confirmation shown are based on your past 12 months usage, or your available usage data (if less than 12 months) and our current in market plans at the time this bill was issued. We update our plans from time to time. If you switch plans, the amount you may save will depend on the plan you choose and the amount of energy you use. If you're on a demand tariff, we'll estimate demand charges based on your usage data, if available, or use the average demand charge of other demand customers in your distribution area. Demand charges can vary significantly and what you may pay will depend on how you use energy during the period when the demand charge applies. Visit energyaustralia.com.au/better-bills to find out more.

The NSW Government offers rebates to help customers with the cost of electricity. These include the NSW Gvt Household Rebate, NSW Gvt Rebate for Life Support, NSW Medical Energy Rebate, NSW Family Energy Rebate, NSW Seniors Energy Rebate and Energy Accounts Payment Assistance (EAPA). To find out more about these rebates and how to apply for them, visit energyaustralia.com.au/nsw-concessions

We've updated our terms and conditions from 12 December 2024 to explain that if you have a contract with us for gas, you can visit your distributor's website to see what type of gas may be supplied to your premises.

Overdue bills may incur a late payment fee. For more information, go to energyaustralia.com.au/latefees

Next meter read

Your next meter reading is planned to occur during **28 Mar - 07 Apr 2025**. Please ensure safe and clear access to the meter. If your meter is not accessible an estimate is taken.
